

The Cub Show 2010

23rd August 2010
At the Bunker, Mt Victoria

The second 1st Devonport Cub Show was a diverse & entertaining affair with music, singing, skits, yarns & jokes, campfire yells and magic tricks. All the Cubs presented an individual item and we were graced with four pianists, two guitarists, a recorder player, two singers, two stand-up comedians and seven magicians ! Each Six also worked together to perform a skit – Letters from Home, Tate's Compasses, Lawnmower, Lost Penny - and also to sing a song together. We told the Story of Lord Baden Powell with 12 cubs popping up as characters and sound effects, had the audience facing off with an *Ain't No Flies on Us* and finished off the evening with a resounding *Ging Gang Gooly*. Many thanks to Hillary & Roger of the Devonport Folk Club for hosting us once again.
